

Petrol Price to drop 69c a litre

With a sigh of relief, motorists will be paying less for petrol this March, according to the Department of Energy. The petrol price will drop with 69c a litre (c/l) from midnight on Wednesday, 2 March 2016, while the wholesale price of diesel will increase by up to 15c/l. The wholesale price of illuminating paraffin will also increase by 17 c/l, and the maximum retail price of liquid petroleum gas (LPG) will decrease by R1.20 per kg.
