# Rustenburg Mining Expo – huge success

Rustenburg – With Rustenburg, home to three of the largest producers of Platinum in the world, various companies all over South Africa converged at the Mining and Technical Exhibition (MTE) expo at the Impala Rugby Club.

Held on Thursday, 21 July 2016, the exhibition showcased the latest products and services the mining- and technical industry has to offer – bringing the buyer and suppliers together.

This expo, with 97 exhibitors and hordes of visitors, brought leading manufacturers and suppliers together – to interact with their Rustenburg based consumers.

In an interview with Platinum Weekly, Herman Bezuidenhout of MTE said this has been their 12th exhibition and that they have received more support, compared to the previous years, from local companies. "On behalf of MTE, we would like to thank all exhibitors and visitors who made this expo a success," Bezuidenhout acknowledged.

Cheetah Technologies showcasing their latest products to potential buyers – one of many stalls at the Rustenburg Mining Expo.

The 12th Annual Mining and Technical Exhibition in Rustenburg.
