Rustenburg Cycling's new look

Rustenburg – The Rustenburg Cycling Club and Leon's Auto Rustenburg proudly launched their new club kit on Wednesday, 27 July 2016. Over 110 club members and their partners (also known as the informal support teams) celebrated this occasion at Leon's Auto.

The evening was hosted by Leon's Auto, the main sponsor of the Rustenburg Cycling Mountain bike and road cycling teams. "We, Land Rover and Volvo, are committed to support the Rustenburg Cycling Club for the next two years," Christo Henning, Dealer principal of Leon's Auto Rustenburg, said during an interview with the Platinum Weekly newspaper.

To celebrate the occasion, Leon's Auto provided every member of the Rustenburg Cycling Club with a brand-new cycling shirt. That's over 130 club members who will now proudly be wearing the Leon's Auto shirts.

The arrival of the new kit comes just in time for this weekend's Groot Marico MTB race, where Rustenburg Cycling will earnestly aim to take gold. The mountain bike enthusiasts each received a cycling shirt with the Land Rover insignia while the "roadies" opted for the Volvo logo on

their shirts.

So when you see a group of 'Green Cyclists' passing you by on the road, know that it's Rustenburg Cycling's team, carrying our city's pride with them.

Joining this club is loads of fun – it's not only for racing, but more importantly... for the ride. The Rustenburg Cycling Club rides in large groups, optimising safety. The events – even if it's just a quick 10km – are all very-well managed. Christo Van Staden, Chairman of Rustenburg Cycling Club said, "The best way to improve your cycling is by cycling with more experienced riders." The club is not only for hardened riders as everyone is welcome to join and become fit as a fiddle. "We encourage participation on all levels of the sport."

The club also announced that Leon's Auto in conjunction with Cycle Zone, will be supplying the members of the Rustenburg Cycling Club with the rest of their club-kit, including jerseys, leg-warmers, pants etc – at cost price.

As part of their "Paying it Forward" campaign, Leon's Auto have become part of several remarkable, local community campaigns over the past few years.

Over the past several months, Leon's Auto has supplied at least two complimentary support vehicles to the Rustenburg Cycling Club, on Saturdays, so that the club members can safely tackle the dirt. One for MTB and one for the road cyclists.

Besides being extremely visible with their signage and roof-lights warning other motorists to be cautious, the support vehicles carry additional water, repair kits and a rack for bicycles. "The burden of stressing about your loved one on the road or in the mountains, are lifted with this kind of commitment. We are very thankful towards Leon's Auto for LITERALLY going the extra mile with us. Now we can focus our attention on improving our techniques," Van Staden said.

Christo Henning replied, "We're extremely proud to be the main sponsor of the Rustenburg Cycling Club, and we know they will make us proud!"

If you would like to join the Rustenburg Cycling Club, visit Cycle Zone at the Magalies View Shopping centre or go online to www.rustenburgcycling.co.za
